

CACFP Eligibility Assessment

You selected,

"At-Risk Afterschool Program"

Documentation of Area Eligibility

At-Risk Afterschool Program sites must be located within a public school building's attendance area having a School Eligibility percentage of 50% or more based on the most recent Free/Reduced-priced September data or Community Eligibility Provision data.

Verify that your site(s) meet this criteria by looking up the School Eligibility percentage for the elementary, middle or high school in the attendance area of your site(s) location(s): [Wisconsin Public School Eligibility Data Report for At-Risk Afterschool Programs: For Fiscal Year](#)

Is your site located in an area served by a School Eligibility percentage of 50% or more?

YES

NO
